**Subject:** FW: Juneau MOU - joint press release?

Hi Jim, just a quick update since our talk on Friday. We're now hearing that the MOU is likely to be signed in Mid-December. Below you'll find Rett's email about the path forward based on Cathy's directions at today's senior staff meeting. In the meantime, our office will reach out to WDNR's press director to make sure we're all on the same page. Ideally, we'll be ready to go with a state-federal announcement when the MOU is ready.

Hi Anne, Jeff and all - checking for any update from WDNR on whether we can do a joint WDNR/EPA press release in signing of Juneau MOU? And recognizing that one approach might be a three-party press release w WDNR/Counties/EPA. Adding Cheryl who is acting for me today and tomorrow. Jim 214-490-6707 cell

Anne - thanks for checking w WDNR about whether a joint WDNR/EPA press release could be done for Juneau MOU. Pat Stevens/WDNR had previously said that a joint press release could be considered as we got closer to an MOU. Pat adds below that he's given WDNR's comms office a heads up about a call from us. Hi Jim: Thanks for the VM. I haven't been able to get an update on the discussion today. I also passed on to our communications person that he may be getting a call. Thanks much, and Happy Thanksgiving.
